(d) if so, the Policy Government are going to adopt to tackle such situations ?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P.THAKUR): (a)and(b) One case of alleged financial irregularity of Pulse Polio Immunization funds by some officials of Rajasthan Government is presently under investigation by Central Bureau of Investigation (CBI).

(c) and (d) The evaluated coverage of Pulse Polio Programme undertaken by independent agencies under UNICEF indicates an overall coverage of more than 98%. However, polio transmission has continued this year in nine States, with most of the cases occurring in Uttar Pradesh and Bihar. Even in Uttar Pradesh and Bihar, transmission has been reduced only to a few areas. On detection of a polio case, mop-up vaccination operations are undertaken in the concerned district and also in adjoining districts. The situation in Uttar Pradesh and Bihar is being monitored by the Government very closely and necessary remedial steps are being taken. Routine immunization is being strengthened in weak performing areas through improving the outreach services. Financial assistance is also being provided to the States for improving monitoring and supervision of the implementation of the programme.
